## HOUSE ROLL CALL VOTE CORRECTIONS

VOTE	PAGE OF ERROR	PAGE OF CORRECTION
72 .....Omission .....	764	874
342 .....Contributions to international organizations .....	1704	1758

1. The first part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very important document, as it contains the President's message to Congress for the first time since the beginning of the Civil War. The letter is written in a very formal and dignified style, and it is a very good example of the President's power and authority. The letter is also a very good example of the President's ability to communicate with the Congress and the people. The letter is a very important document, and it is a very good example of the President's power and authority.

2. The second part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very important document, as it contains the President's message to Congress for the first time since the beginning of the Civil War. The letter is written in a very formal and dignified style, and it is a very good example of the President's power and authority. The letter is also a very good example of the President's ability to communicate with the Congress and the people. The letter is a very important document, and it is a very good example of the President's power and authority.

3. The third part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very important document, as it contains the President's message to Congress for the first time since the beginning of the Civil War. The letter is written in a very formal and dignified style, and it is a very good example of the President's power and authority. The letter is also a very good example of the President's ability to communicate with the Congress and the people. The letter is a very important document, and it is a very good example of the President's power and authority.

4. The fourth part of the document is a letter from the President of the United States to the Congress, dated January 3, 1862. It is a very important document, as it contains the President's message to Congress for the first time since the beginning of the Civil War. The letter is written in a very formal and dignified style, and it is a very good example of the President's power and authority.
